

**SMART  
SERVICES**

Leave it to us

Smart Services is a trusted provider of comprehensive, tech-enabled business solutions designed to drive efficiency, transparency, and sustainable growth. Established in 2009 under the Companies Act, we have consistently positioned ourselves as a preferred partner for facility management, manpower solutions, and IT-enabled public sector services.

With a diversified service portfolio covering manpower management, facility & housekeeping services, security, logistics, ITES, healthcare infrastructure, catering, hospitality, and event management, Smart Services effectively serves Government Departments, Municipal Corporations, Banking Institutions, IT organizations, and private enterprises across India.

Our operations are backed by CMMI-3 and ISO certifications, demonstrating our commitment to quality management, environmental responsibility, social accountability, and occupational health & safety. We have successfully executed projects for Municipal Corporations, Government of Maharashtra departments, and clients across Madhya Pradesh, Rajasthan, Telangana, and Ayodhya, earning long-term trust through consistent delivery excellence.
